This amount was a result of $251 for Property Tax Administrative Fee, $2,000 Employee Training and $10,000 for Election Expenses had had not been added in the City Clerk operating budget due to an incorrect formula within the DFA budget spreadsheet. 9. ITEMS FROM THE MAYOR AND TRUSTEES- Mayor Pro-tem James Scott advised that he was working on Fee Schedule resolution to allow the city to collect for various services. City Clerk cautioned the governing body not to impose any fees for those permits where no ordinance had been adopted. One example given was the issuance of a sign permit. Currently the city did not have an ordinance to regulate the specifics for the type or size so if a request for a sign was issued, the city would not be able to demand any specifics. The city would only create a problem by collecting a fee on something they could not regular due to lack of an ordinance. Mayor Gonzalez requested from the City Clerk that she provide him with a performance evaluation form for his use in evaluating the current appointed department heads. Trustee Diana Murillo requested to have office open during lunch. City Clerk advised her that the topic had already been discussed with Mayor Gonzalez and consideration to start having office open during lunch would happen as soon as the receptionist was hired. Staggered lunch schedules would be assigned among the City Clerk, Deputy City Clerk and Receptionist. Mayor Pro-tem James Scott stated he had found a site for the Fire Department.
