He indicated that since the County had passed their ban in 2008, they had seen a decline in fire calls. He also commented on several issues on the proposed final ordinance regulating fireworks within the City of Anthony and suggested the Board of Trustees make amendment to the ordinance before the final adoption was voted on. First was regarding Section 5e of said ordinance where no person would sell fireworks from other than permanent structures. This would eliminate many vendors. On Section C, he commented that the Board should consider adding “designee” since the City did not have a Fire Chief.

9. ITEMS FROM THE CITY CLERK/TREASURER- City Clerk Gloria Irigoyen informed the Board that the city would need to establish credit and file an application in order to be able to place any ads with the El Paso Times or Las Cruces Sun-News. She had obtained a quote from them for the RFP on the Auditor at a cost of $101.60 for one day. City Clerk also stated that she had emailed Becky Lopez at DFA and asked about the Board hiring a temporary employee without posting. She stated that was a decision the Board would have to make but proper hiring procedures should be considered. Trustee James Scott asked the Board to consider a consensus to have someone hired as soon as possible. City Clerk mentioned that the proposed City of Anthony Employee Handbook had a section that allowed for the Mayor to hire temporary employee when he determined there was an emergency. Trustee Scott asked that the employee handbook be brought to as soon as possible for approval. City Clerk recommended that the Board consider a workshop to make final revisions before adoption. Trustee James Scott continued and discussed the use of personal vehicles by city employees to do city business. He expressed his opinion that that was not right and employees should be reimbursed for gasoline. Trustee Diana Murillo agrees that city employees should use city vehicles for city business instead of using their personal vehicles. City Clerk informed the Board that she had already sent request to get the government plates and insurance coverage for the Ford Explorer and Chevy van the city had acquired from the County.
