**6. ITEMS FROM THE FLOOR**

**7. CONSIDERATION AND ACTION**

a) Consideration and Action to approve a variance Appeal request to approve a setback of 5' at the rear of property located on 1109 Tierra Huichol ID-R181747 which is in CR-1 Zone (Community Residential).

**8. ADJOURNMENT**

*MPT Herrera: Did we have to start the meeting before we did this motion, or can we go ahead adjourn?*

*Alan Dahl: I think postponement or the motion to close during the approval of the agenda was probably the correct way to do it. Alternatively, you could move to postpone when we got to the actual item itself.*

*I do think that it was proper to at least, start the meeting, and to entertain that motion to postpone.*

Trustee Gameros mentioned the reason, but to avoid ambiguity, notice was not posted for this hearing so that interested members of the community could join. Although there was notice posted of a public meeting, the ordinance itself requires posting on the property itself.

So, my presumption is that the city manager and/or the city clerk will be in contact with the Petitioner to set up a new meeting date and to ensure that notice is sent out.

**Mayor Trujillo:** Ms. Garcia, did you hear all the information?

**Ms. Ashley Garcia:** Yes, I did.
