- Overview of the City of Anthony Police Department Standard Operating Procedures, **Presented by the Chief of Police.**

*The Chief of Police highlighted the major changes and additions of several new policies such as "The Foot Pursuit Policy" and major changes to the "Excess Force Policy". Several Trustees asked situational questions, questioning how an office might response. There was discussion on how to deal with elected officials and what procedure they should follow. It was suggested to include a policy or note on how to deal with those types of interactions. The Chief of Police will follow up with the NMML to verify what would be the best option. Once the review is complete, the Chief of Police will present this item once more for discussion before final approval.*
